You'll save the most when visiting an in-network dentist. Visit [DeltaDentalNJ.com/FAD](https://www.DeltaDentalNJ.com/FAD) to check if your current dentist is in our network or to find a participating one near you.

Annual maximums and deductibles are not separate across our networks and will cross-accumulate if you see dentists in different networks throughout the year.

If you have any questions regarding your benefits, you may contact our Customer Service Department Monday through Thursday, 8:00 a.m. to 6:30 p.m. EST, and Friday, 8:00 a.m. to 5:00 p.m. EST, at 1-800-452-9310.

This overview contains a general description of your dental care program as a convenient reference. Complete details of your program appear in your benefit booklet and the group contract between your plan sponsor and Delta Dental of New Jersey, Inc., which governs the benefits and operation of your program. The group contract would control if there should be an inconsistency or difference between its provisions and the information in the overview.

Your dentist's network impacts how much you pay out of pocket. Dentists who participate in the Delta Dental PPO network will have the lowest costs and out-of-pocket expenses. Dentists who participate in the Delta Dental Premier network will have slightly higher out-of-pocket expenses than those in our PPO network. If you receive services from a non-participating, out-of-network dentist, you will pay the highest out-of-pocket costs and be responsible for your coinsurance amount plus the balance-billed amount (this is the difference between the dentist's submitted fee for the claim and Delta Dental's approved fee). See your benefit booklet for more information on frequency limitations.
